DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 4-6 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In claim 4, "the CO₂ injector", in claim 5, "the injector", and in claim 6, "the sponge", all lack prior antecedent bases.

Claim Rejections - 35 USC § 102

3. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

4. Claim 1 is rejected under 35 U.S.C. 102(b) as being anticipated by Kolfertz (GB 1183727). Kolfertz discloses a device for dispensing CO₂, that is to say carbon or carbon dioxide, which can be fitted in aquariums or containers for holding live fish, this device consisting of a dispenser casing or body, characterized in that the dispenser body is equipped with a mixing chamber into which a flow of water is delivered by a pump and a flow of CO₂ from an infeed duct the mixing chamber being bordered by at least one filtering element which occupies the lower half of the dispenser body which can also be closed by a mesh cover.

Allowable Subject Matter

5. Claims 2,3, and 7 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

6. Claims 4-6 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.
